After certified in **Java and Quality assurance** in Bangalore in ABC technologies Currently  
studying in **Conestoga college** in **Software quality assurance and test engineering**.

## Academic Projects

### Virtual Reality Tourism(MGITER,India),2018

In this project we make VR video, first we take different video by the mobile and camera. After convert that video in VR Video using VR converter application and display this all video and that particular place details in our application using database and server connection. Using this application user gets idea about that place before their actual visits and another purpose is entertainment. For that we use **Android** language and **My SQL Database**.

### Restaurant Management(Conestoga college),2022

In this project we make different module such as starter, beverages, main course, desserts, login, logout, contact us, about us and in this module we just display data such as name and price which we take from the Database. This project we make in **C#** Language and use **Microsoft SQL** for database and for the UI we used **WPF**.
